Rise in Diabetic cases

6406. SHRI KRISHNA KUMAR BIRLA:
SHRI SURINDER KUMAR SINGLA:

Will the PRIME MINISTER be pleased to State:

(a) whether Government's attention has been drawn to the press news-item under the caption "Concern over rise in diabetic cases" as reported in the Hindustan Times dated the 16th April, 1995;

(b) if so, whether medical experts in various fields have warned developing countries about steep rise in cases of diabets, blindness and kidney ailments by 2000 A.D.;

(c) whether Government have formulated any plan to check the rise in number of persons suffering from varius diseases; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) Yes, Sir.

(b) According to a WHO Study Group Report developing and newly industralialised countries are currently facing the problem of increase in the burden of diseases of affluence and lifestyle such as diabetes.

(c) and (d) Under National Programme for control of Blindness, the prevalance of blindness is sought to be reduced from 1.49% to 0.3% by the year 2000 A.D. A Pilot Project on Diabetes Control Programme is included in the current year's plan. Kidney ailment can be controlled by promoting healthy life-style.

Cases of Liver Diseases

6407. SHRI KRISHNA KUMAR BIRLA: Will the PRIME MINISTER be pleased to State:

(a) whether Government's attention has been drawn to a press news-item under the caption "Liver diseases on the rise" as reported in 'Pioneer' dated the 9th April, 1995;

(b) if so, whether Government have formulated schemes to check the causes of rise in liver diseases;

(c) if so, the details thereof;

(d) what other factors are responsible for increase in liver diseases; and
